19) The resolutions of the Bagshot Rural DC dated 5 4 48 & 30 11 48 to revise the scales of pay of its employees as shown in the proposals statement (Flag A) with effect from 1 1 47 may be approved, as recommended by the District Valuer. A similar increase is laid down in respect of the Rural DC's 561/4/1 & the NJC is in opposition to bear the same in regard to the pay of the sweepers, a revised scale for which is 12 - 1 - 15 instead of 13-1-78 as is given in the rules as adopted. He considers that this is consistent with the principle & condition of the NJC & this appeal may therefore be accepted formally

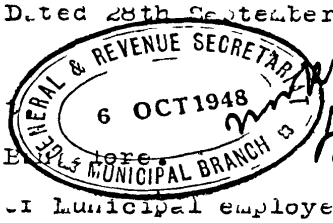
Revenue Department, Bangalore.



Sub Revision of scales of pay of Municipal employees of Bagepalli minor municipal council.

Sir,

I have the honour to forward herewith the report received from the President, Municipal Council, Bagepalli with his letter No L4 c 142/47-48 dated 17-6-48 and to state that the Municipal Council, Bagepalli at their meeting held on 16-6-48 have resolved to revise the scales of pay of their employees, as detailed in the enclosed proposition statement. No Select officials are working in this Municipality where all the officials are municipal employees. There is no whole time independent clerk for attending to Municipal work and the revenue clerk of the Taluk office attends to Municipal work in addition to his own duties for which an allowance of Rs 5/- p m is given to him. The council have proposed to revise the allowance paid to the Revenue Clerk to Rs 10/- in view of the heavy increase of Municipal work. The council also proposed to revise the pay of the office peon on the basis of that sanctioned to Government employees. The Sweepers working in the Municipality have been given a grade of Rs 12-½-15 as against their existing pay of Rs 9/- and it is appears to be reasonable. The existing scale of the Bill collector is Rs 12- 1-15 which has been proposed to be revised to Rs 20-1-25. The proposals of the Municipality are fair and the additional expenditure involved is within the means of the Municipality.

The average cost of the establishment according to the existing and revised scales of pay is Rs 891/- and 1452/- resulting in an increased expenditure of Rs 561/- per annum. The council at their meeting held on 16-6-48 state that the revision may be given effect to from 1-6-47 and that the extra cost involved may be met from the closing balance of the Council. They have made provision to meet the extra cost consequent on the revision of scales in their Budget for the current year 1948-49. The

arrears of pay from 1-6-47 to 1-7-48 will therefore to be met from the closing balance. The closing balance of the council as per sanctioned Budget for 48-49 is Rs 3618/- and the council is able to bear t is extra cost. In addition, it is seen th t the normal expenditure of the council is within its normal income The proposition statement has been prepared with reference to the scale register of the Municipality and the Government order sanctioning each post is also quoted.

I request you kindly to obtain sanction of Government to the proposition statement enclosed in the records and to give effect to the revision as from 1-6-47.

Yours faithfully,
